RETREAT SCHEDULE

ON MARIAN'S CAMPUS----

January 28-29 Men's Retreat
January 30-31 Women's Retreat

At Fatima -

Retreat starts Tuesday evening,
January 29 and ends Thursday afternoon,
January 31.

At Alverna - Retreat for men begins
Monday, January 28, 8:00 p.m. and ends
on Wednesday, January 30. Anyone inter-
ested should contact Terry McGlinchey
or Father Courtney.

Everyone is expected to make a re-
treat at sometime during the school year.
If you have not done so already, you
must attend one of these held between
semesters.

Good judgment comes from experience,
and experience, well, that comes from
poor judgment.

The Yearbook has arranged for pictures
to be taken of those who missed the
photographer the last time around. The
pictures will be taken Thursday, Jan. 17.
A list of names of those asked to smile
brightly is on the main bulletin board.

REGISTRATION

Due to the four-day retreat schedule
registration will be on February 1 instead
of January 31 as listed in the catalog.
If at all possible, the Seniors and Fresh-
men are asked to register in the morning
and the Sophomores and Juniors in the
afternoon. This will help keep those
lines short enough to be endured.

You are reminded that the Church
Unity Octave is from January 18-25. Watch
the bulletin board for time of devotions
at Marian.

Student Board Minutes

The regular board meeting was very
brief since there was not much business
after vacation.

A report on the discussion of the
use of class dues was given. Several
suggestions were listed as ones to be
used at a student-administration meeting.

The Religious representative said
that the various groups on campus were
being contacted in hope that one of them
would sponsor the work at the Maria
Center.

It was decided to buy equipment
for the lounge necessary for social
functions such as candleholders etc.

Basketball Scores

Last night's loss to Franklin, 61 to 60 was hard to take but the team showed real skill. They had the lead at the half, and after that the lead changed ten times. (One time too many of course)

Games on schedule before next issue:

January 31	Oakland City	There
February 2	Vincennes	Sccecina

The Centipede was happy quite
Until a toad in fun
Said "Pray, which leg goes after
which?"
And worked her mind in such a pitch,
She lay distracted in a ditch,
Considering how to run.

The official listing of final exams reminds us that bluebooks are in the bookstore costing the fantastic sum of 2¢ per book.

Why do people get angry before meals in our cafeteria? Because - so many of their friends and other people's friends manage to get ahead of them in the lunch line. Patience, friend, the food will taste the same, early or late.

The CSMC will journey to Madison, Indiana, Sunday for a meeting with other CSMC units. Marian will have nine students attending. In all there will be at least 86 from the Indianapolis area. The meeting will be held at Shawe Memorial High School.

Interested in having a yearbook, The Marian, again this year? If so, help the group get the ads and subscriptions necessary to cover the expenses. So far, there has not been enough aid from the students in this matter to help the staff. The plans for this year's annual promise to make it a real achievement. If you have any ideas that will help, see the staff members this week.

The discussions on the use of class funds seem to have been rather hasty to refuse all propositions. Some of the ideas have been worthwhile and deserve more consideration than they have been given. Whatever the final decision of the committee is, we hope that all will give it a try at least for a year to give a real test.

Contrary to popular opinion, ye merry olde editors of this gabsheet do study, at least now and then. Hence, no more Carbons until next semester.
